Released: 02/25/10

SLP Partner Events...

Want to give your migrant student an opportunity to visit a

college campus, see role models, and learn leadership skills at the same time? Want to let SEMY staff do the leg work for setting up these visits? Sign up to send your students to SLP Partner Events-it addresses many items in the Migrant Education Program Service Delivery Plan. Need other support from SEMY. SEMY staff are here to help you!

Note: The Office of Secondary Education for Migrant Youth (SEMY) compiles and disseminates information to assist students in reaching their goals. We research and target opportunities for students who specifically qualify under Title I Migrant Education guidelines and/or who may be first generation, college bound migrant students. In addition, we advocate with corporate and higher education sponsors to offer opportunities, scholarships, or funding for migrant student (grades 6-12) participation in areas of special interest. The opinions expressed and activities conducted through any agency referred by SEMY do not reflect the views of the Sunnyside School District, OSPI Office of Migrant and Bilingual Education or the US Department of Education, nor do they imply an endorsement.
